Subject: Powertech Uranium (Azarga Uranium) Updated Investor Presentation

Re: News Release - Thursday, September 18, 2014
Title: Powertech Uranium (Azarga Uranium) Updated Investor Presentation

Powertech Uranium Corp. (TSX:PWE), pending a name change to Azarga Uranium Corp. ("Powertech" or the "Company") has released an updated investor presentation on its website, available at the following address:
<http://www.powertechuranium.com/s/Presentations.asp>

The updated presentation provides investors with information on the Company's assets on a pro-forma basis for the recently completed capital raising and merger with Azarga Resources Limited.

In addition, an interview with the incoming Chairman, Alex Molyneux covering his views on the uranium market was published today. Alex was interviewed by the well known analyst and commentator, Peter Epstein. The interview can be found at the following address: <http://www.myriadequity.com/?p=5869> or by following Peter Epstein on Twitter @peterepstein2. As a reminder, you can follow Powertech/Azarga via Twitter account @AzargaUranium.

About Powertech Uranium Corp.

Powertech is a mineral exploration and development company that owns the Dewey Burdock Uranium Project in South Dakota, the Centennial Deposit in Colorado, and Dewey Terrace and Aladdin Exploration Prospects in Wyoming. On June 30, 2014 shareholders approved a merger with Azarga Resources Limited to become Azarga Uranium Corp.
